Jog Educational Trust

Jog Educational Trust was incorporated in the year 1991 by Bharat Shiksha Ratna Late Prof. Dr. Suhas Jog. He was in the field of education from 1976 as a renowned chemistry professor. His coaching classes were famous in the overall Pune region. It is a distinguished educational trust committed to delivering quality education and nurturing academic excellence. Established with the vision of empowering young minds through knowledge, skill development, and ethical values, the Trust has been consistently contributing to the field of higher education for several years. Guided by the philosophy of **“Education for Empowerment”**, Jog Educational Trust strives to create an inclusive learning environment that encourages innovation, critical thinking, and holistic development.

The Trust focuses on bridging the gap between academics and industry by promoting skill-oriented programs, experiential learning, and career-focused education. Jog Educational Trust emphasizes academic rigor, disciplined learning, and value-based education. With a team of qualified and experienced faculty members, modern infrastructure, and student-centric teaching methodologies, the Trust aims to prepare students to meet global professional challenges while remaining socially responsible citizens. Jog Educational Trust believes in continuous improvement, academic integrity, and social commitment. Through its educational initiatives, the Trust seeks to contribute meaningfully to nation-building by shaping competent professionals and responsible leaders of tomorrow.

Our Objectives:

- To impart and equip students with the necessary skills to compete in a technologically advanced global scenario.
- To provide an academic environment that reinforces appropriate social and cultural values.
- To provide research facilities which would promote the exploration in core areas related to traditional and contemporary fields of study.
- To provide value addition through co-curricular and extra - curricular activities.
- To enhance character development leading to national and global perspective.
- To make education accessible to all sections of society.
- To sensitize students regarding environmental issues.
- To stimulate students to learn, to seek information and to synthesize information.
- To foster critical thinking skills, encourage students to analyze and evaluate information critically.

OUR DYNAMIC LEADERS

President's Message

MS.SUREKHA S. JOG

**PRESIDENT
JOG EDUCATIONAL TRUST**

It gives me immense satisfaction to welcome all of you to one of the oldest and reputed names in the field of education today, in India. My husband Late.Dr.Prof.Suhas P.Jog taught for 33 years and his dedication to the field of education is tremendously justified by the number and growth of our institutes since its inception in 1991. In the past few years education has undergone a lot of change and I am happy to say that P.Jog Institutes have succeeded to change and develop new ways of thinking for the global ever-changing 21st century.

Prof.Amol Jog, my son has inherited qualities of his father, and is very optimistic to take our education to international standards by developing in house systems to better tackle students learning and support. The Students have managed to get consistent results of 100% which is reflection of his managerial capabilities at our institute. We believe that the standard of our education in our institutes have gone up substantially, Our Junior college has managed to send students to best institutes for IIT for graduation. The Senior college that Dr. Amol Jog started in 2009, has commanded a lot of positive feedback from the new generation & we expect to secure 100% placements for our graduate students in the upcoming years.

Lastly, I take this Opportunity to thank you for choosing us to take care of your Children's education and I assure you that we will give the best education to our students to be compatible, conversant & successful in every path they choose to make a mark and I am sure our students will be brilliant leaders of Global India.

Best of luck and see you in our institutes soon, God bless all of you.

Vice President & Treasurer's Message

DR. AMOL S. JOG

**VICE PRESIDENT &
TREASURER**

JOE EDUCATIONAL TRUST

Jog Educational Trust is one of the oldest and reputed groups in the field of education dating back to about 50 years of churning out and shaping brilliant minds since its inception. P. Jog Senior College was in full swing from 2009 with 3 courses at the initial stage. My dream to start law education came into reality in 2021 by the name of P.Jog Law College.

Today we have quality education with a difference embracing all the shades in the field of education with development of the students being of paramount importance to us. Activities and syllabus planned for continuous upgrading and improvement touches every student's mind intriguing imagination at its fullest. P. Jog has been commanding respect and demand since the first batch that started in 2009. The students coming to the institute has phenomenally increased with over 210000 students from various parts of India graduating successfully from our school and colleges.

Today the institute stands tall with 3 completely massive campuses located in the heart of Pune city, Mayur colony Kothrud campus offering UG & PG courses affiliated to the Savitribai Phule Pune University & AICTE like B. Com, BBA, BBA(CA), BSc, BA, BCA(Sci), BBA(IB), BSc (CS), & M.Com. You all are soon to experience the revolutionary changes in the field of education through one of the best institutes in India in every aspect and I await your arrival and encourage you to take the sweet, exciting & rewarding journey of education with me. I assure you that the kind of trust you lay on me and our institutes will be bestowed upon you at every stage the confidence that you need to be a leader in your chosen field study in the 21st. century.

Best of luck and see you soon.

Secretary's Message

I have been associated with education field from few years & since then. Education field is not new to me as my father was a prominent educationalist in Pune and his achievements in the field has generated a lot of interest and appreciation in me for the field. Despite being an actor, I would like to say that completing my education was my father's first and foremost wish and so I completed BDS and then joined the industry. I feel education gives a lot to you in terms of appreciation of facts and an experience to handle issues maturely.

P. Jog is a very well-known and reputed name in the field of education today and we are optimistic to take it further in terms of its quality and standard of teaching. My brother Dr. Amol Jog has been working with my father during his formative years & exhibits a lot of that experience clubbed with his international approach towards quality education. Lastly, I would like to wish you luck and may your competencies outshine with every growing year with us at the Jog Educational Trust.

Waiting to welcome you all!

MR. PUSHKAR S. JOG

Students Growth and Progress

At PJCSC, we believe every student is exceptional and has different potential. Given the required opportunities, the students can prosper in their chosen career path as well as in life. In order to enable students to acquire meaningful experiences for and from learning and to facilitate their holistic development and progression, the College provides numerous opportunities – curricular, cocurricular and extra-curricular.

➤ Curricular Activities

Apart from the regular classroom teaching-learning sessions, students are offered with various forms of learning experiences like

- ✓ Add On & Certificate Courses
- ✓ Guest Lectures
- ✓ Practical Training Sessions
- ✓ National & International Level Seminars & Conferences,
- ✓ Workshops

In PJCSC we equip students with industry specific knowledge and soft skills which help in fostering their employability. The College conducts several activities to make students aware about different career opportunities available and it also conducts activities to prepare students for several competitive examinations. Industrial Visits and other field visits are arranged for students as per the SPPU guidelines and requirement of a course. These visits are planned with the objective of letting students know about the practical relevance of the theoretical knowledge that they acquire in the process of learning their curriculum.

➤ Co - Curricular Activities

To inculcate in students various soft skills like communication skills, self-confidence, decision making, problem-solving, time management, team spirit, leadership skills etc, we organize various activities which are headed by students under the guidance of their teachers.

- ✓ Shavan Lahari – A Special program design to develop and strengthen the roots of Maharshtrian culture in the students.
- ✓ Bondala & Dandiya Celebration
- ✓ Parvaah – Annual Cultural & Sports Event.

➤ Extra - Curricular Activities

As the college is affiliated to SPPU we are having the benefit to participate in various schemes like - NSS (National Service Scheme) & BSD (Board of

Students Development). These two units run various programs like – Earn & Learn, Camp to villages, Tree Plantation, Blood Donation, Cleanliness Drives, Road Safety Rally, Voter Awareness Program, Nirbhaya Kanya Abhiyan, Bahishall – for senior Citizens etc.

➤ **Mentor –Mentee Cell (Counselling Cell)**

The **Mentor–Mentee Cell** at P. Jog College of Science & Commerce plays a vital role in fostering a supportive, student-centric academic environment. It is designed to ensure the holistic development of students by providing continuous academic guidance, emotional support, and career mentoring.

Under this system, each faculty member is assigned a group of students (mentees), enabling personalized attention and strong teacher–student relationships. Regular mentor–mentee meetings are conducted to discuss academic progress, attendance, performance in internal assessments, and any personal or social challenges faced by students.

The cell actively monitors student development through:

- Individual counseling sessions
- Academic performance tracking
- Guidance for competitive exams and higher education
- Career and placement support

Special attention is given to slow learners and advanced learners by providing remedial coaching and enrichment activities. Mentors also encourage students to participate in co-curricular and extracurricular activities such as NSS, cultural events, and skill development programs, ensuring overall personality development.

The Mentor–Mentee Cell serves as a bridge between students, parents, and the institution. In cases where necessary, parents are informed about student progress, ensuring transparency and collaborative support.

Through this structured and compassionate approach, the Mentor–Mentee system at the college contributes significantly to improving student retention, enhancing academic performance, and nurturing responsible, confident individuals ready to face future challenges.

➤ **Placement Cell**

- ✓ To prepare students for the competitive job market, the Placement Cell conducts a range of skill-development initiatives including aptitude training, soft skills workshops, resume writing sessions, group discussions, and mock interviews. These efforts help students build confidence, improve communication skills, and perform effectively during recruitment processes.
- ✓ In addition, the cell maintains strong industry connections and invites corporate experts for guest lectures, seminars, and career guidance sessions. This continuous interaction with industry professionals keeps students updated with current trends and expectations.

- ✓ The Placement Cell also encourages entrepreneurship by guiding students interested in starting their own ventures and connecting them with incubation support where possible.
- ✓ With a student-centric approach and dedicated support, the Placement Cell at P. Jog College of Science & Commerce ensures that students are well-equipped to pursue successful and rewarding careers.
